“ Debbie, I am Jerry Hypes' little sister, Donna. Dewey was so much a part of my younger years. He, AD, Donnie and Jerry seemed to always be together hunting or "making" music. So sorry for your loss. It has been many years since I had any contact with Dewey, although Donnie and I stayed in contact until he passed. Donnie talked about you and your family often. Find peace with your memories and hopefully, there is a fiddle around and the lot of them are patting a foot.

“ Debbie and children..You lost the love of your life and I understand all about it..went through in 2008...I knew Dewey all of my life and I feel like it is an era in my life..we kinda grew up together he and Donnie his best bud. and now they are all gone..My prayers are with you and your children that God will give you the strength and courage to go forward and cherish all the years you shared together...at any time I can help you, you know how to reach me if it is just to have a cup of coffee together...I know from experience, you feel so lonely and alone and yet you don't want any anyone around at the same time... Dewey, you were an awesome person and man...always smileing and blushing...I will miss you my old friend... Wish things were different and could be there to say goodbye.. R.I.P
