“ It is so very appropriate to describe Pat as a woman of class, taste and elegance. We are simply devastated by her sudden passing. We have very fond memories of the times we shared with Pat and Harold. We shared her passion for pet welfare; we wish she could have met our adopted dogs and see the new adoption center at Deep Creek Lake. Pat was the essence of grace and elegance, and she brightened any room she entered. Her southern charm and warmth made it so easy to be comfortable around her. Our sincere condolences go out to Harold and the family. Pat was a wonderful lady and we will all miss her greatly.

“ I want to offer my condolences to the family. I met Pat when she was working in banking. She has always had a warm place in my heart. She was a wonderful lady and a ray of light in the life of anyone she met. Our jobs took our lives in different directions and I had not seen Pat for a few years. She will be sadly missed here but what a blessing for heaven that she is there now.

“ We are truly saddened to learn of Mrs. Brewter's sudden passing. What short time we knew her, she left an indelible impression. She clearly was a community-minded spirit and demonstrated her passion and commitment to help whenever, wherever. To that end, we will always remember and cherish this precious soul.

“ I am so very sorry to hear of Mrs. Brewster's passing. I remember the first time I saw her was when she came to visit her daughter Randie, my friend in first grade, to have lunch with her. I remember all the kids saying, myself included, Randie's Mom is so pretty, and she really was beautiful. It was a very long time ago since I last saw her but I know she was that same beautiful lady until the end. My condolences go out to all of her family, especially Randie. May God bring peace during this very difficult time....
