“ Sorry to hear of the passing of Bob. He was a good man and a good friend. My prayers are with Mary and their children Bob, Andy and Kathy. They were wonderful neighbors and friends. I grew up with the kids and my Mary Beth taught with Mary for many years at Wade School. I recently saw Mary at Dr. Robert Taylor's office. I love you all.

“ I have known this family for 50 years. I have been part of our church family for almost as long, too. Growing up with their children and seeing Mr. and Mrs. Bruch so devoted to each other was such an inspiration. I will always remember the kindness of this family when Louis was shot in Afghanistan,. especially from Katherine. I will hold your family in prayers during this difficult time. Peace to all. An American hero laid to rest and heavenly rewards now claimed by this kind and gentle man. RIP Sir.!

“ Mary,
I send my deepest condolences to you and the family. Your husband and you have been in my family's life for all of mjne and your husband and my Dad were childhood buddies. My late husband always referred to Bob as his sailor brother. I have a video of you two dancing in the middle of Bland Street during the Fall Festival that we organized and you both were having a grand time. I'm sure he's already waiting for your next dance in heaven. Love to you all, and once again my deepest condolences. Love, Teresa Braithwaite

“ I'm so sad to read about Mr. Bruch passing. He was always a friendly and caring gentleman; always interested in how you were doing and wishing people well. He always had a warm "Hello" and smile whenever I saw him. My Dad always remarked how much he enjoyed chatting with Mr. Bruch and enjoyed being in the American Legion with him. He was definitely one of the Greatest Generation. Prayers and God's peace to his family and friends. Love, Lindsey Grubb Barilla
