“ *I would like to send my condolence to the Dunn family. In reading the obituary it is obvious that Agnes lived a long life, the Bible speaks of individuals like Agnes as having "special mightiness" (Psalms. 90:10) In times like this I reflect on the God's promise in John 5;28,29 of a resurrection of our dead loved ones. I hope this note brings you comfort at this time.*

“ *Hi Lisa, I am deeply sorry to read about the loss of your dear Mother. She was truly a lady and always so warm and kind when I would see her. She was so proud of you! Not lately but, when I would see her she kept me up on how you were and where you were! We are so bless by our loving Father in heaven to have had such terrific mothers. God bless you and give you peace! Lindsey Grubb Barilla*

“ Leslie and Lisa and families: I was so sad to hear of Agnes passing, but I know exactly where she is right now as we had talked and shared our faith many times over the years. You all have been really good neighbors to us over the years and I am looking forward to seeing her again over there. God Bless you all during this time of separation. If there is anything that I can do I would be happy to help.
