“ *Aunt Alberta was an important part of our lives. She was a source of wisdom and good cheer. Visits to her home were always a highlight. Aunt Alberta loved to recount stories of Uncle John taking me on climbs of Big Walker Mountain. I have so many fond memories which I will cherish forever. I am a lucky nephew to have had her as my aunt. Dan Meigs*

Oh my, Alberta Looney, 97 years of wonder and delightful memories. Mary Ellen, my first memory of your Mother was in Cary, NC when she visited with Art and Judy. Then over the next 45 years of seeing her in WV. As we would visit relatives during the year we would try to drop in for a quick visit, since we knew she would give us a warm welcome, tell us about a trip she took with Mama Meigs and Papa Meigs. Always with her quick wit and laughter. Phone calls over the years — always made me smile and laugh, I would tell Lewis about the conversation and he knew then I had a great day.

Alberta saw many great times in her life. You were able to give her the life she wanted by staying at home. In Sept. of 2017 we stopped by and I started asking questions.

Alberta did you ever go fishing?

She said, yes.

Did you catch a big fish?

With a twinkle in her eye and the wit she always had — her reply —

Yes, as she pointed to Sue and said, that's my best CATCH ever!!!! We all laughed and with those words, Sue you were a Blessing to Alberta and Mary Ellen.

Always loved sitting on the porch in the summer looking at the flowers, drink in hand, remembering good times. Lewis and I will miss your genuine, fun loving mother.

Our hearts break with yours and the family. Love, Lewis & Gina Snyder
