“ *Mar & Ms. Hash and families:
My condolences to each one during this time.
Mrs. Caldwell left nothing but fond memories
that I see each day and this is priceless to
me. She treated everyone with respect and
seeing her down at the city park walking around
sometime ago I had the chance of renewing our
knowing one another still yet as teacher/student.
I remember giving her a few baseballs before she
left going back home. She thanked me for them
and I said you are most welcome Mark, glad we
had the chance to have the phone call a few
months ago and Ms. Hash, enjoyed having you
as well for a professor at BSC when I attended.
Mrs. Caldwell, job well done and may I add....R.I.P!*
