“ *Dear family and friends of Aleta, I am so very sorry for your loss. Although I never met Aleta in person only through correspondences, she was always so kind and caring. She seemed filled with light and love.*

“ *To family & friends,
I was so shocked & saddened by the news of Aleta's passing! Such a "full-of-life person!" I would have liked to be at the service Monday, but circumstances prohibited me. For a while, before she moved, I had her as a neighbor and enjoyed the times we were able to meet. She also helped me from time to time to take care of my mother. She put her whole heart into everything she did! God grant her eternal rest if any of you would email & tell me what happened, I would appreciate it.*

*Warmly,
Glenny Chryssikos*
