“ Thoughts and prayers for you all during this difficult time. Amy was so amazing and I loved her dearly. Even in her sickness, Amy was always thinking of others. Truly a beautiful angel inside and out. Her work her on earth was done. Amy inspired me to be a better person and her strength was extraordinary. Over the many years we worked together Amy always looked for the best in everyone and put everyone else before herself. Her crown in heaven has to be full of the most precious jewels because that is what she was to me.....a precious jewel. She will be the angel looking over all her loved ones now. Miss her dearly!

“ *We have so many memories that to pick just one would be impossible. I can't even begin to process that this is real. But I will always remember her smile and her way of making the best out of any situation. We shared so much together over the past 9 years...our kids, our dreams, our worries, our secrets and so much more. She was my sister. I will do everything I can to help take care of her family. I loved her with my whole heart and will miss her until we meet again one day.*

“ When Amy found out she had cancer, she took her Insource group into the conference room and told us. But, she said on that day and every day after that "God is in control". All through that illness God was in control and she beat cancer. She was a wonderful person and good friend. She always had good things to say about everyone. We will all truly miss her.
