“ *Mes, Burger was always a second mom to me growing up .made time for me and explained so many necessary facts of life to me over the years. Judy and I were often together and her parents always allowed me to go to Lake Hopatcong, Dorney Park, movies with them. Tomato sandwiches looking at that lake still remain in my memory. Sweet, grounded woman who loved her family. Heaven gained a special soul.*

Lots of fun memories. They loved their tomatoes! I think there was ham too! Letting us buy ice cream at the lake! Dorney Park was the best! I guess your mom and my mom are having some great conversations about us!
