“ Dear Colo Family, I was so sorry to hear that Ann passed away. I have such fond memories of her. I remember her as the mother that always loved having everyone at her house. She was always willing to play with Tony and me. I will never forget dressing up the Dog, Snoopy and playing music very loudly on that big front porch with Ann singing and dancing with us. She knew all the words to the newest songs. I also remember playing basketball for hours in the court. You all had the FUN house with the FUN mother. I hope you find peace in the memories that she left you all. I will always remember her and the rest of the Colo family. We had some great times growing up together.

“ Tony, Just found out and so sorry to hear that your mom has passed. I have such fond memories of her and your dad also. When we were kids growing up she always took such good care of us, loved each child unconditionally and looked out for all of us. As I reflect back, she probably kept us out of mischief as kids because she always had some activity for us to do at your house. I fondly remember the bowling tournament we had one summer. We bowled, ate and she handed out trophies at the end of the week. Tony, I found out that when my dad passed last year that time will help heal some of the pain and sadness. Just hang in there and lean on God for comfort and strength. Take care and be strong.

“ To all of the Colo Family - We are deeply saddened to hear of your loss of our Noni. Our thoughts & prayers are with you. She was always so loving and supportive with everyone and always have a smile on her face. We will especially remember her special spaghetti sauce & meatballs, it was a yearly tradition for us, when we were younger, to go there on the holidays. She would make her famous sauce - it pleased her to know she was making her family happy & content. We will miss her dearly & we want the Colo family to know, she will remain in our hearts forever! We were blessed to have her as one of our grandparents, thur our stepdad, Michael. We love you!

“ To The Colo Family, I was so sorry to hear about the death of Ann. Oh do I have lots of memories of Ann while growing up when we all lived in Keystone. I haven't seen Ann is quiet a few years and can only imagine the memories her grandchildren have for while both of our families lived in Keystone and I would visit she would play and read to my oldest daughter. She was lots of fun and couldn't wait for Rosa Lee and I to get home from school so that she could hear what all went on for the day. Sorry I can't be with you guys but know that I have all of you in my thoughts and prayers. May God give you the strength to cope with your loss. May she rest in peace. Linda Piconi Harman
