“ A few years ago, I had the privilege of teaching Tony in 8th grade math. One morning, he came to me right before class to share some special news. Tony said "Mrs. Sigman, I went to church last night." Of course, inside I was delighted, but I knew I should remain calm on the outside. What Tony said next touched my heart. He told me that he got saved that night. I always felt blessed that Tony was excited to share this news with me. Now I am so relieved to know that Tony is with our Lord and Savior. May God bless Tony's family and comfort them now and always.

“ My deepest sympathies to Slick, his wife, and all of their family and friends. You are all in my prayers. People have told me that Little Tony was a lot like his daddy, and though I didn't have the pleasure of knowing him, I have known Slick since he was a little guy, and one of my brother's best friends, I know that the young man was first class! God bless all of you.

Peace I Leave with You

(Romans 5:1-5)

27Peace I leave with you; My peace I give to you. I do not give to you as the world gives. Do not let your hearts be troubled; do not be afraid.. Lil' Tony was always the most respectful, kindhearted young man. He would always call me ma'am and I told him he could call me Debbie.. His reply was yes ma'am. We came to a comprise of Ms Debbie. My daughter misses him very much and I miss asking him how those Beavers are doing (I'm a Tiger fan), but will always be a fan of #5liltony #superhero

“ *I am so sorry for this terrible loss that your family is going through. I remember Lil Tony and Ronell being at Pam's playing with Joe and they were so funny and full of life. This special young man has touched so many lives in living and in passing. I think God needed a special angel and Lil Tony was perfect for that position. My thoughts, prayers and love go out to each one of you. The Scott Family.*

“ Sending love from our family to yours, Tony had a special place in the hearts of many. His legacy will live on. He will be remembered for his love and light, he had an impact far beyond anything he accomplished in sports. I know my son is among many who are proud to call him his brother. He will always be fondly remembered and his smile will never fade from our memory. Blessed to have known Lil Tony Webster.
