“ Barbara was a true joy to work with at Goodwill. She had such a terrific business sense and truly loved her staff and customers. She took excellent pride in her work and was highly dedicated. I learned a lot from her and her years of experience. She always offered words of concern and care during my husband's cancer battle and my heart has been with her thru her own. Barbara - you were the strongest of women and you will be greatly missed! All my best to the family who will be missing her smile every day. You are all in my thoughts and prayers. Mindy Boyd

“ To The Bourne Family: My heart aches for your loss. Barbara and I went to BHS and graduated together, worked at Hill's Dept. store together yrs. ago, were long-time friends whose paths crossed again as she began her journey through the struggle of her illness. She came to the Dr. I worked for and we hugged and talked each time until I retired. My prayers are with each of you now and in the days ahead.
