“ MawMaw Bobby I just wanted to thank you for all you have done for me. I never knew when I married your son I would also get another mom. Thank you for being there for me when my own mom went to heaven. Thank you for holding my hand as I gave birth to Amber. Thank you for helping us raise our kids to be the amazing people that they are today. Please don't worry about us we will be OK. As much as it hurts to lose you we are comforted by the fact that you are now with your mom and dad. Your poor little body is now pain-free and your heart and lungs are perfect. We will be with you again someday. Once again, thank you. I LOVE YOU.
