“ To the family,

I was saddened when I looked through the obituaries and saw that Ben had passed and the service was held yesterday. Ben was a part of our family on my father's side. I had not seen him for a while but had asked Calvin about him a week ago in the mall. I will pass this on to my family. May the God of all comfort, comfort you during this time of sorrow. Love to all, Shelia Ward Smith and family.
