“ *Caroline & Stan, Your mother was in many ways my second mother. When I was young and my mother needed another "mom" to watch out for me, she always called Maxine. She was a great second "mom" for me and a wonderful person to all who were fortunate enough to know her. My thoughts and prayers are with you at this time.*

“ *I appreciated the support and friendship your mom gave me during the years we worked together at the cable company. She lived her Christian faith and was a role model for us all.*
