“ *I was her handyman for many years. I always enjoy talking with her and fixing things and making her house beautiful! The last time I visited her and repaired her back porch area she's told me that she wanted to always keep her house nice so one day when she had to sell it it would be beautiful! She got her wish! New floors and fresh paint on the walls and everything looked so nice!! I will miss your calls to come by and fix something!!*

“ *I never met any of her family, but I did a lot work on her home. She did some sewing for me once or twice. We had a great working relationship which, I believe, included mutual respect. I admired her great energy and dedication to her church and friends, and not to mention her beautiful blue eyes. To me she was a great friend. My true sympathies to all her family. Larry Tolbert*

“ Always first to worship service at Bland Street UMC. Definitely will miss seeing her in her spot. She made the best rolls and candies - a really great cook. A lot of hemming work for our family, great kitchen skills was always good to have her in the church kitchen for our United Methodist Women bazaars--she kept us straight--some times we needed it. - - with prayers for the family
