“ *I am so sorry to read of Yancy's passing. I worked with her for many years at St. Lukes Hospital. She was a good lady and cared for others with deep concern. She always walked. She will be missed by all who knew her. May she R.I.P. Will miss seeing you Yancy. Bluefield has lost one of its best. She was one the old crew that I first started nursing with. Most of them have gone on to eternal rest including Yancy.*
