“ *Billy was just like a son to me. He was so good to my husband when he was so ill and in a nursing home. He was always thoughtful and kind and ready to help in any way he could! He and I spent some precious times over a cup of coffee and a serving of his favorite chocolate cake! Billy went with me when I adopted my little dog, Lady. He helped me with taking care of her. He loved her. Lady passed away 10 days before Billy and in my heart, I could see her greeting Billy at Heaven's Gate!
RIP Billy until we meet again on that glorious day!!*
