

## Boyd Hull Parker

February 5, 1935 - October 26, 2023

“Precious in the sight of the Lord is the death of his saints.” Psalms 116:15  
Boyd Hull “Buddy” Parker entered his heavenly home on October 27, 2023. Buddy was born on February 5, 1935, in Rock Hill, South Carolina and was preceded in death by his father and mother, Otis and Eunice LeGrand Parker, and his beloved wife and high school sweetheart, Jeane Campbell Parker. Buddy retired from General Telephone Company and was on the GTE management team.

Buddy was a born-again Christian and a member of Westminster Presbyterian Church in Bluefield, West Virginia. He was also a member of the Westminster Medical Missions Team and traveled with the team on several medical mission trips to Africa. His recollections of those trips were some of his fondest and proudest memories. Buddy loved his Westminster family who showed him much love and respect through the years. Buddy’s surviving family is greatly comforted to know that not only is he in the arms of his Lord and Savior Jesus Christ, but also in the arms of his beloved wife, Jeane, whose love for each other was never ending.

Buddy is survived by and deeply loved by his three adoring children: Steve Parker and wife Kathy Hoback of Maryville, Tennessee; Susan Parker Moore of Bluefield, West Virginia; and Joni Parker Yearout and husband Dusty also of Bluefield. Pappy, as he was loving known to us all, deeply loved his three children, seven grandchildren, and thirteen great grandchildren.

The family would like to thank all who sent their love to his surviving family

and in keeping with Buddy's wishes, the family privately celebrated his life and heavenly homecoming.

"For me, to live is Christ, and to die is gain." Philippians 1:21
