“ *Iris and family,
I pray the many prayers' and comforting words that your friends and family are lifting up to our loving God Jehovah are reaching your ears and heart. As your friends our hearts are broken from your son's death. As a mother of a deceased son my heart breaks for you. GOD himself knows our grief, His only son Jesus died so we could be saved. You are in my prayers dear friend. I pray Gods' peace upon your family.*

Michele Carinelli Barnett - August 24, 2014 at 06:51 AM

Iris, Michele gave such a beautiful memory of Brad. As you know, I too, have lost a son. My prayer for you and your family is that you will come to understand why this happened to your baby boy and will be able to move on with your lives. Brad is in God's hands now and he be forever safe from pain of any sort. I remember when you worked at AAA and in the winter you warmed Brad's undershorts in the microwave. No greater love than that. God bless you all. Love you.

Iris it's ,me again/ Also wanted to tell you that when my son died I got grief counseling. It truly helped me. It might be something for you to think about. Just be sure you get a counselor that specializes in grief. Love, Linda
