“ *To the family of Brenda: Brenda's grandmother, Bay, was my aunt. I am one of "Pud's" daughters. While I never knew Brenda, I sure do realize what you all are going through, as we lost our brother Dan in August as you will see by the list here at the Mercer site, and just a few days later I lost one of my dearest friends from childhood back home. The picture of Brenda reminds me so much of Aunt Bay. My condolences and best wishes to all of you. Karen*
