“ Susan, Wayne, and family,
I was so sorry and sad to hear of Bretton's passing. I remember when we used to have "Share group" at your house back in the '70's, Bretton would love to come down and be with us. I also remember one time we couldn't find him, and after a long time of looking, he was found in the neighbor's garden and had fallen asleep. He was such a cute kid! My thoughts and prayers are with all of you. Especially as you come upon the one year anniversary. I love you and miss you! God be with you! Pam
