“ To the family; Have know Bruce form the 70's and had even done some work for him on his house back in 78. A good person and never heard any complaints from him. Use to stop in Carter to talk with him and catch up on things happening. My condolences to each member of his family and friends also. R.I.P Mr. Bruce Miller....gone but not forgotten.

“ *Shayne, Tammy and Sherri, I am so sorry to hear of your dad's passing. What a shock! Deb and I will be praying for your family during this difficult time.*

I have many great memories of Bruce. He's the one that convinced me to apply for a job at Carter Machinery, that resulted in a 45 year career. He was my best man in our wedding 47 years ago. We kind of lost touch when we moved away from Bluefield but I thought of him often. Last Fall when we were in Bluefield, Bruce and I had planned to meet up and visit for a while, but he just received word from his wife's doctors office and he had to cancel. A few months later, she passed. He and I never got to sit down and talk.

Cherish the memories that you hold in your heart.
