“ *I said a prayer for you today when I read of Frankie's passing. I asked God To Hold You In The Circle of His Arms and the Palms of his hands. To give you strength and blessings in your time of pain and stress, but most of all I asked for His blessings to surround you, and inner joy to fill your heart with peace and happiness. You were Frankie's rock and now God will be your rock. Love and prayers, Joan*

“ *Carl will be truly missed by this family. He certainly was "one of a kind" and loved life enough to fight for it for more than four years after he was hurt. God Bless all of those who loved him.*
