“ *Dear Faye, I am so sorry about the loss of your Dad. We are in St. Augustine visiting Johnny's sister who is very ill. I absolutely hated not being able to attend the service or do anything for you and your family during this difficult time. I don't have your email with me and didn't want to call right now when you surely have lots of family in. Please know that you have been and will continue to be in my thoughts and prayers. I will get in touch with you as soon as we get back next week. Love you!*
