“ *I think Pauline was one of the nicest people I ever knew. I thought the world of her and Wetzel, too. I loved seeing her at church and my chats with her. That back pew will seem so empty without her there. I know she is now in a better place. I am sorry for the loss to her family and friends. Thinking of you with prayers. God Bless.*

“ I'm so sorry to learn of Pauline's passing. I have known her and Wetzel for years. My Mother Teresa Whisman (2008) was close friends with them and worked with Pauline some at the church. Pauline was on my email list and I had mail from her on a daily basis. I knew something was wrong when the mail stopped but this just blew me away. Please accept my deepest sympathy.
