“ *Growing up I spent just as much time at Bobby and Carolyn's house as I did my own. Bobby was my Dad's best friend. So many memories of Mom, Dad, Carolyn and Bobby playing cards in the kitchen, pitching horseshoes in the backyard, loving on the dogs and watching NASCAR on the big TV. Sending my deepest condolences. Sincerely, Carri (Twinkle toes) Neal Setser*

“ The Family of Carolyn,

I'm so terribly sorry to learn about Carolyn's passing. I worked with her for many years at the hospital. She was a wonderful person and co-worker. She had such enthusiasm for her job and sincere compassion for her patients. Her sense of humor made even the worst situations better for everyone and everyone loved her - staff and patients alike. I had lost touch with her over the years since I left the hospital, but I will never forget her. Carolyn was truly one of a kind and she will be missed. See you on the other side one day old friend. Prayers and peace for the family.

“ So sorry to hear this. 😞. Carolyn was always so sweet, loving, caring, and full of life! She had a great personality. I always felt so safe when any of my family had Carolyn taking care of and looking out for them. She took care of Jeff many times. 💕💕

“ To Carol's Family: I have known Carol for many yrs and was just thinking about her a few days ago. Bobby and Carol were friends with my first husband, Don Dillow and I, and was on duty the day Don was brought into the ER when he passed away. I will never forget her having to excuse herself. She told the doctor she just couldn't do it because he was her buddy. Carol had a big heart and that day while she consoled me, I realized just how big it was. We had not seen each other in yrs, our paths just didn't seem to cross. However, I will always remember our dear friends and ask that God guide her journey home to be with him and Bobby. May God bless each of you now and in the days ahead.
