“ *Debbie and family, I am so sorry for your loss. I know your mom will be missed by all. I know it is no comfort, but she is with our Heavenly Father and her family that joined Him before her. She will be looking down on the family she left behind, smiling at those beautiful children, grandchildren and great grandchildren. Do take comfort in knowing that you will see her again in Heaven. God Bless all of you.*

“ Oh Debby, you're mother was so beautiful. Knowing what a wonderful person and friend you are... your mother must have been precious as well. I'm so sorry for I truly know how you feel at this time. It's hard to imagine life without your mother and you are never prepared for that. I am praying for you and your family. I know your mother and my mother will have a good time bragging on their "teacher" daughters! I'm sending lots of hugs to you!

“ Dear Debbie and Randy, I was saddened to read of your mom's passing. She was such a wonderful neighbor on Frederick Street. Although she will be missed by everyone who knew her, we will cherish the memories of having known her.

“ My precious Debbie and family, I know the pain you feel now, but knowing that she is in Heaven dancing and playing golf with your Daddy has to be comforting! My favorite memory of your momma was dancing all night long during sweet Kara's wedding! I had to sit and rest, but she just kept on dancing and smiling! Love to all and God Bless You So! Viki
