“ Dearest Tom and Nancy and all your loved ones there~ When we prayed for you at the group tonight, it seemed like you were among us nonetheless. Time and distance are no obstacles for the Holy Spirit. We pray there is that same sweet communion there as you all reflect on a life beautifully lived, a legacy we are grateful you shared with us--with humor and heart and always with love. We'll be praying for your family, and we'll be waiting for your return...so precious how connected our coming and going is, isn't it? Love to you both~Marla and Larry~the LORD bless these days for you all!
