“ I WENT TO BRMC TODAY FOR AN ULTRASOUND AND ASKED WHERE CHARLOTTE WAS. I WAS STUNNED TO FIND OUT SHE HAD PASSED AWAY. SHE WAS A WONDERFUL, SWEET, KIND-HEARTED PERSON. I HONESTLY NEVER MET A NICER PERSON TO TAKE CARE OF AS A PATIENT. I AM TRULY SORRY I DID NOTHING WHEN SHE DIED AS SHE ALWAYS DID FOR OTHER PEOPLE. GOD BLESS YOUR FAMILY.

“ I was saddened to hear that my longtime and dear friend Charlotte had passed away. We grew up together on Dry Branch until the family moved from the area. Often I would run into Charlotte on my trips to Bluefield. I will never forget her sparkling blue eyes and beautiful smile. She was truly beautiful inside and out. She had a special love for her grandparents Hugh and Evangeline and when she visited them she would often travel on down the mountain road to see me. Charlotte was what true friendship really meant, someone whom you could cherish forever and ever. I will miss you my friend.

“ I have known Charlotte for over 30 years and always found her to be such a nice person. A few years ago when I was hospitalized, she was there for me and really made me feel comfortable. She always had a smile on her face and I will remember her as one of the kindest people that I have ever known. May God be with her family, friends and co-workers during this difficult time.

“Charlotte was a very precious lady, always friendly and kind. She holds a very special place in my heart because she is the radiology tech who did my son's sonogram when I was pregnant with him. After that we had an instant connection. I saw her during the holidays starting to walk at the mall. I got to meet her mother at Bob Evans. After she had her pacemaker put in. So my heart goes out to you the family. Because I understand your loss of such a precious person. Lover, Shared tears, and prayers to each of you. In Christ

“I always admired Charlotte's kind spirit and positive attitude. No matter what life had handed her, she handled it with grace and a true Christian spirit. She was an inspiration to us all, a true healthcare professional and an excellent role model for anyone who worked at BRMC. She will be sadly missed.

“ God smiled the day Charlotte was born because he knew he had sent a special angel to walk among us. She touched my heart in so many ways all those years ago when we played in the fields around our homes. I will carry her in my heart until the day I, too, am called to meet her in His presence. And the 2 of us will play in the fields once again. I love you dear friend. I know there is one more bright star in the sky now. I will look for you each evening and blow you a kiss.
