“ *Chris was the sweetest most lovable person I've know. It was truly an honor to know and love him. I will never forget one valentine's day, he send me text that said, "go outside." As I walked through my front door, I saw a single rose sitting on the porch. I know it was a small gesture, but it meant so much to me. That was the kind of sweet soul he was. He was always checking in, making sure his friends and family are ok. I will cherish every memory that I have with him. He will be greatly missed. My condolences to the family. Dr. Lasker, I love you very much and my heart is breaking for you.*

“ Dear Lasker Family,
Our prayers and thoughts are with you! Chris and I grew up together in Bluefield. We attended the same religious studies and Sunday school; as well as played tennis and soccer together as kids. We were close friends throughout our childhood and would spend the high holidays together at the synagogue.
Chris was a great friend and a great person who will be truly missed. Wishing all of Chris' family, friends and loved ones extra prayers during this difficult time.

On one of my husband's very first trips to Bluefield he met Chris at a Winter Warmer and three years and hundreds of people he's met since then, he has always said that his favorite person from Bluefield is Chris. Everyone who knew him understands exactly why. He was one of the most kind and genuine people and our hearts are broken with his passing. “ I remember Chris as one of the kindest individuals I have ever met. I was talking to him once and he noticed I had lost an earring. I frowned and mentioned that it was my favorite earring. We finished our conversation and then, an hour or so later, he came back up and was holding my lost earring. He took the time out of his night to look for my earring. That is the kind of guy Chris was. I will miss seeing his smiling face.

Dr Lasker, I'm so sorry and saddened to hear about Chris's passing. I was a patient of yours for several years. I also went to school with Chris from elementary school to graduation. Chris and I also played soccer together as kids. He was such a sweet and caring person with a huge heart, always stopping me to give me a hug and asking how I and my family was doing every time we saw each other. I also remember the small conversations you and I would have in your office about Chris, the trips you would take together and things you would do. He will be missed dearly. My heart goes out to you and your family. You all are in my thoughts and prayers. Rest peacefully my friend 💔😭

“ *Dr. Lasker, Josh, & Leah. I am so sorry to hear of your loss. Chris was a delightful and joyous young man. We became close in a short time. God Bless this wonderful family and the entire family will be in my prayers. Again, I am so sorry. Duard Addington*
