“ *Bob, Clarence, and Joan... Please know that you and your families are in my prayers. You had wonderful parents and your Dad was the greatest "boss" I ever had. Love and Prayers....*

“ *I was so sorry to see your mom's obituary in today's online newspaper. She was always a part of my growing up years at First Presbyterian, and I remember how kind she was to my parents in their later years. Please know that I am thinking of you -- it's hard to lose a parent. It leaves a big hole in your heart and in your life. Martha Ann Crockett Lancaster Greenville, SC*

“ *Joan, Bobby, Clarence: I am so sad to hear of your Mom's passing. As I just returned from Uncle Bennie's services, I regret I will not be able to see you on this occasion....it has been too long since we have seen each other. Know that I will be thinking of you and will pray that you will be able to be at peace; I well know the feeling after both parents have gone. Take care, DeWitt*
