“ *It made my heart sad when I heard about Connizene's passing. It brought a lot of childhood memories back to me. We laughed, and we laughed. There will be a difficult road ahead for you all. It isn't easy by no means, I lost my husband of 50 years, 2 years ago and it has been horrible. But again, you must think that she is in a better place than we are. She's not sick anymore and she is at peace. It is hard to lose a childhood friend.*

“ *The last time I saw Connie was at a Parker family reunion. The next time I see her will be at the biggest reunion of all in heaven. I pray that all our families will be there. Sorry that we missed the funeral services. Please know that we are praying that Jesus will be near and comfort all the family, especially her dear mother, Aunt Eleanor. Rev. 7;17 " ... God shall wipe away all our tears."*

“ Dear Mrs. Parker I just read about Connizene's death and wished I had known she was at the Maples so I could have visited with her. I have fond memories of her and your family. I grew-up on Harrison St. Our house was on the corner of Harrison and 5th St. I went to Knob school until the 6th grade. I once got to go with your family when you were singing at a revival. The Connizene I remember was pretty and full of life and fun! Please accept my sympathy . I do not know the circumstances of Connie illness, but I do know our good and loving God always takes care of us both in life and death. My prayers for you and your family today and in the days to come.
