“ *Connie Hurt will always be remembered by the family of Pansy Hale for the kind, loving care she gave to our Mother during her final years. Connie always greeted the family with a big smile and she gave Mother countless hours of kind care and attention. Mother often told us how much she enjoyed having Connie spend time with her as they talked about so many things about their lives and I know there were many moments of joy and probably tears. Connie and our brother, Charlie, always shared many smiles and laughs when they were together and he has told me many times how lucky we were to have Connie with mother. All of Mother's family have often recalled how great Connie was with Mother and how Connie definitely increased the quality of Mother's life during her final years. Our family loved Connie and will always remember what a kind, loving, and caring lady she was.*

With most sincere condolences to Connie's family,

Betty Jo Hale Parker and Jack Hale

“ Connie was my best friend that I grew up with. We went to school together and were neighbors. I loved staying all night with Connie when I was young. We would have the best time..playing board games, playing music and talking about girlfriend stuff for hours. We would laugh so hard and have some much fun. The best times of my life!! She will be missed dearly. God bless her family and friends. Until we meet again. Love You So Much!! Hugs and kisses!!

“ Well I have known Connie for many many years. I looked up to her alot. Not only was she great person, who would do anything for anyone if she could, Connie was my son's Grandmother. And David thought the world of his Mama Connie. Connie helped me name him as well. The day I found out I was pregnant, I called her and she and I cried on the phone. Then she says well I have the perfect name for the baby if it's a boy. And Connie took my father's name and her grandfathers name and today we all have David Henry!!! Connie you are going to be greatly missed by our family. You loved Cameron as if she was your own, and always enjoyed when Angela and I would bring the kids over to spend time with you, and we would end up staying for hours with and just talk and laugh. I'm really going to miss those times. Fly high Connie! We love and miss you !!!
