“ As I recall my childhood, Connie is a part of those memories. We were neighbors for many years and we enjoyed playing dress up at her house. Connie was always so giving and kind to me. I am very saddened by this news and I would like to extend my condolences to her family.

“ Connie was a very special cousin to me her whole life. We had so much fun when we were children and visited my Grandmother in Bluefield. We would write letters for a long time as well. As we grew older and had our families, we didn't write but would call each other and then there was Facebook. I am heartbroken for her sudden loss. My love and prayers go out to Shike, Kellie, Ronnie and Martha. Rest In Peace my dear cousin and I will see you again one day.
