“ On behalf of the John Brant and Paul Fortuna families, I want to extend our condolences to the entire White Family. Curtis was such a fine gentleman. He worked a great deal with my Uncle Tony Fortuna - and they would stop and visit with our families often while selling their sweepers across southern West Virginia. May he rest in peace.

“ Cathy's and my kids always called each other's grandparents by the names that their own grandchildren called them, so "PawPaw" was very special to my kids and to me. He is remembered fondly and always will be. I'm so sorry for your loss 🙏❤️
