“ My sincere condolences are sent to you today.
To a fellow classmate I remember all the good time,
life has a way of losing contact with each other but memories made
long ago stay with us for life.
Rest In Peace and your soul fly high

“ *I remember the very first time I ever got on the school bus, there sat Dale and she made room for me to sit with her. That day began a friendship that lasted all these years and it's definitely been more than a few. I will carry her strength as goal to always try to live up to. And I will keep the promise I made to her several years ago, just like if I had went first she would have kept hers. I'm here if there is anything I can possibly do. I love you all dearly!!!! “ *Marsha, I met your mom and she was so sweet. I am very sorry she had to go thru all that she did. You were such a loyal, loving, thoughtful, dedicated, and protective daughter. You were her voice when she couldn't speak for herself. I loved seeing you video "chat" with her. Your eyes would light up as you said "that's my momma". Sometimes words aren't necessary between a mother and daughter ...the eyes say it all. If Randy and I can do anything for you and your family, please let us know. Love and prayers.*

Marsha, I'm so sorry for the loss of Momma Mona. I haven't been in town and just found out. I loved her dearly. We had some fun times together. I'll never forget the time I bloody my nose on her knee and I left permanent Beaver prints on her knee with my teeth. Life just to short. Love you
