“ *Sweet little Dana Laverne was such a loving child. Oh how she loved to listen to the car radio and would grab hold of Norma's hand and place it on the radio to let her know she wanted the radio turned on. She also loved running her fingers through your hair. I remember her insisting on holding my hand at her Momma's funeral service. I believe with all my heart she actually knew me. You can now be at peace holding Daddy and Momma 's hanss in heaven. Love, Aunt Brenda Bane White Sturgill*
