“ My thoughts and prayers to the family. Danny and I were like brothers growing up. We shared many hours playing on East River Mtn, riding bicycles ,just things two young boys would do. Spending nights at each other's house. I can remember going with him and his dad to Plains Va where his dad held church service on week ends. It has been many a year since I have seen any of my classmates,but I assure you Danny and I were very close as we grew up and shared many an hour together. I could go on for hours telling of things we shared but most of all I can say I have many wonderful memories that I will never forget. I have lost a very close classmate and a very dear childhood partner. My prayers for his family.
