“ *It's been about two years now and it is still hard to believe that Danny is no longer here. I grew up with Danny and have known him all of my life.*

“ *Steve, Mrs Taylor, I'm so sorry That Danny passed away. I often wondered how he was doing. I tried to contact him once when I was up that way, but never could get ahold of him. We shared some good times and bad times, but I always thought of Danny as one of my best friends. Once again I'm so sorry for your loss. Owen (Buddy) Frye*
