“ Just seeing his obituary made it so real! He was family to us always, just as all of the Andersons are. He was one of the really good guys, would do anything he could to help. The world got a little darker the day he passed. I have so many memories of great times and deep sorrow shared with Darryl. I love y'all dearly and Tom and I are right here if there's anything you need!

“ Marie and Merve, so sorry for your loss .I knew Daryl had passed but it took til now to find which funeral home was taking care of his services. We were all best friends when we were little playing on the cliffs behind the church out at the school just were every when we were little. Unfortunately time flies by and things change. But I still seen Daryl quite often gave him a ride when he was walking from Ron's have our quick conversation mostly about grand children. Then I give him a what for talk and he laugh at me with that contagious laugh he always had and tell me I'd never change. He was so silly. Then he just disappear has fast has he came. Til I see him again. I'll truly miss him. Us Falls Mills kids just always March to a Different Dummer. 😊
