“ *Tina and Patrick,
We, along with the entire community, are shocked and so very saddened by this news. Your family has suffered so much loss. David was a wonderful young man with a big heart matched with a big smile! All who knew him loved him and so he had a special way with people... a rare trait! There are just no adequate words at this time other than to remind you both that you are loved and prayed for! May God hold you both tightly during this difficult time and may you find some comfort and eventually peace in Him, knowing David is at peace. Take care of each other. Our 🙏 prayers will continue.*

Love, Elaine, Bill, Christopher, and Katie Hinchler

Rest In Peace #21.*

“ *We were shocked by the awful news. We had lost track of David after high school, so our memories of David are of a handsome young man with a great smile. He was Lucas' buddy and team mate, and David was the go-to guy for that great Beavers team. We are sorry for your loss. Larry & Mary Louise Stone*

“ I was David’s second grade teacher.I can honestly say that he was the kindest and most diligent child I have ever had the pleasure of teaching.. His attention to every aspect of his school life was unbelievable. He also was an integral part of his classmates’ success. I will always remember him and am honored to have been a small part of his life. My heart is broken. My condolences to Tina and Patrick. Sharon Belcher
