“ *Rejoice in the Lord!*
Adam, I was so saddened for you & your family when I JUST learned of the repose of your father David Mark. It was always nice to see you once in a while at St. Mary's. And I'm glad we ran into each other at the grocery store a while back, as I believe that was the last time I had seen your Dad, & you of course. God grant him eternal rest where there is no more pain or sorrow, & comfort you & family!

“ So saddened to hear of David’s passing. As young children, our families often got together for picnics at the city park. As adults, as our parents were still living, our families continued to get together. Such fond memories of David and the Rhinehart family. My deepest condolences to Maria, Adam, Kim, and families.

“ David was classmate and a friend. He was always upbeat about life and lived it to his full potential. Even at our recent class of 73 50th reunion, despite his health issues; he was upbeat. My sincere condolences and prayers are with the family. Rest well David.

“ Have known David since 8th grade. Never knew what we would get into because of or with him. David had a passion for life and a laugh that could warm your heart. He loved motorcycles his friends but most of all his family. I was blessed to call him my friend. I love you and will miss you.

“ David was one of a kind. He could talk to anyone about anything, he was always kind to people. The biggest heart a person could have, he would give you the shirt of his back. You will be mist!

“ David had his crazy but I9vable moments. We met in college. I was walking down a slippery ramp toward my class and fell. Out of about 20 people standing outside Dave was the only one that came to see if I was OK and helped me up. My skirt was hiked over my head. He turned his back and stood between me and my gawking audience until I could get myself presentable. His kindness was never forgotten. Also I remember a 3 page paper we had to do for class. He wrote a couple paragraphs at the beginning and a couple at the end and in between He wrote nursery rhymes and made up poems. He got an A on the paper. Someone told him the teacher only scans the paper and doesn't read it all. I guess he proved it.
