“ *Mickey, thank you so much for the phone call last night. I loved having Dee take care of Mother & Daddy. Every new thing she bought, Mother wanted the same thing. They would watch Judge Judy every afternoon. She remained a good friend all these years and I will miss being able to talk with her. God be with you and Kevin and grant you peace. Love, Georgann*

“ *Mick, I know the loss of Sissy has been devastating to you and Kevin, and to all of us who loved her. I am not able to attend services for obvious reasons. It is breaking my heart that I won't be able to hear her voice and laugh about the little things in our lives, good and not so good things. As long as we could laugh they didn't seem so terrible and it made our day a little more pleasant. She will be missed and I pray that God is cradling her until we all meet again. She has no more pain and heartache. I hope that helps you to know there will be no more suffering. You and Kevin are in my prayers today and in the days ahead when things seem unbearable. God will get you through. Just trust in him. In the end he is all we have. Love and prayers.*
