“ To Robin, Teresa and all of Lois family, What a joy Lois was, I had not seen her in several years but she could put a smile on your face and make me laugh every time. I send my deepest sympathy's to each of you and I know God will embrace Lois when she enters through the gates of heaven. She loved her family and I am sure she will be watching over each and every one of you. I love you folks and will keep you in my prayers in the coming days. Karen Brummett

“ Oh my sweet MawMaw! She was the very very best. There will never be another one like her. She loved us like no other. I do not know how we are going to navigate this life without her.
