“ *The first time i met her I was about 12. Eddie Allen was constantly talking about his girlfriend Susie from Bluefield. He brought her home one day after supper to meet the family: Buddy, mother, and me. My job was washing dishes, and standing on one leg, like a flamingo, there was me, washing away. In walks Eddie Allen with the cutest girlfriend (in my Green Valley Trailer park opinion). I couldn't believe my brother was dating, much less hooked, such a cute, nice, friendly, put-together girl. Over the years, Susie would tell me this story: how I stood there staring at her the whole time, not talking, just staring. I have 56 years of memories of Susie; I could write a book about the fun times we had. I loved having her as a sister-in-law and friend.*

All my love and prayers to Eddie Allen and family. I will miss her dearly.

Love, Linda, Walt and Ashley

“ Susie was such a southern belle, always sharp and poised, it was very difficult watching her health decline in the last few years. We are thankful to have many memories of her in better times. She will be dearly missed by us and I’m sure all that knew her. Love to everybody, Shannon and Riley Jamison
