“ *You are more than a sister, you are my best friend. You left us all way too soon. There will always be an empty place in my world that no one will be able to fill, but I will always have you in my heart. I know you had to go, Simba and Hazel needed their Mommy. I know that you are happy and no more breathing problems, you are with Mommy, Daddy, Sheila and you finally get to meet our brother Larry. I miss you so much, but I know the stars shine a little brighter now that you are in Heaven and Shyla and Brittnee have their own personal gaurdian angel now. As always, Love you too. bye. Tammy*
