“ *We will miss Doris. She was a very warm and caring person. Never complained but always asked you how you were and how your family were. She stayed positive to the very end. Always the best looking and the best dressed lady at a party. Her smile gave a lot of joy. We are sure that many people, in addition to Doris's family, will long remember this inside and out beauty.*

“ Carolyn, I’m sorry about your Mom. She was a sweet lady. I remember her helping us with Elizabeth (stitches or not) and me when when I mixed two cleaning liquids, that was a no, no. I’m thinking about you all and keeping you in prayer. Hugs for all.

“Doris was a special person in my life and career. When I first started as an orderly at the old Bluefield Sanitarium, she was the nurse at the surgery clinic. I remember how incredibly nice she was to the patients and made them feel like they were special! That was a real and rare gift. When I returned to Bluefield as a surgeon she was still that wonderful person. Her gift will be missed.
