“ *Mrs. Shupe was a unique lady. Her love for Mr. Shupe truly identified her life. They were a beautiful couple who were meant to be together for eternity. She defied age, evident in her zest for her new life in Hawaii. I know that John Larry gave her a second chance to enjoy life after John was gone. I consider myself fortunate for having known both she and John. May your hearts be filled with memories of both her and him.*

“ *Nancy, Larry and Family: I was saddened to hear about Mrs. Shupe. I remember what wonderful neighbors she and Mr. Shupe were to us here on Ridgecrest. Please know that you all are in my thoughts and prayers and may your precious memories sustain you through these rough times. I am sorry I won't be able to attend the service as I missed too many days of work during Jan's illness and untimely passing, but please know that I'm thinking of you. Love, Lois*
