“ *Dorothy was the best neighbor ever and like everyone else has already said she was the kindest, most humble person and never had a bad word to say about anyone. I felt I could always come to her when I needed to talk and my life is better for knowing her.*

God bless all the family, I know what a great loss you suffer.

“ To Dorothy's family:

She was the sweetest, soft spoken, most kind person and always the same to everyone she came in contact with. I worked with her at the hospital and of course saw her at the doctors office. I know this will warm your heart to know how wonderful she was to everyone and loved by all. I will all miss her so very much and feel so blessed to have known her.

Love and prayers, Suzanne Abel Kelley
